

DNA PAMPHLET

↓

COVER: Draw a picture of DNA or the word DNA. Make it look nice.

INSIDE LEFT:

What does DNA do?

DNA contains the instructions to make a living thing. Every instruction is within the DNA.

Why is DNA important?

Without DNA, cells wouldn't know their functions nor how to build the body.

What are the initials of the 4 chemical bases of DNA?

GATC

INSIDE RIGHT:

How to fill out a Punnett Square

How to determine phenotype
